## A.G.E. THERAPY GEL

LIVE, LOOK AND FEEL  
YOUNGER, LONGER

**GLYCATION IS THE ENEMY OF YOUR SKIN.** Saggy, weak skin. Age spots. Wrinkles, fine lines, cracks and callouses. These are the things that make us look old. And don't blame your birthdays; looking old has very little to do with how old you are. Looking old isn't about age, it's about AGE—as in advanced glycation end-products. Advanced glycation end-products, or AGEs, are harmful compounds that attack our skin and make us look old and gross. They gather on our skin, and they eat away at healthy skin cells just like rust can eat away at a car.

If you've been paying attention to the skin care industry, chances are you've heard the term "glycation" before. Glycation is another word for AGE damage. Glycation has been described by experts in dermatology as "the most significant breakthrough in skin care since the discovery of retinol." The link between sugar, protein and aging has sent a shockwave through the entire skin care industry. The industry leaders are desperate to know what causes premature aging, and what we can do to fight it.

Morinda knows what causes premature aging: it's AGEs. And Morinda has the perfect anti-AGE skincare product: AGE Therapy Gel.

“A.G.E.s GATHER ON OUR SKIN AND EAT AWAY AT HEALTHY SKIN CELLS LIKE RUST EATS AWAY AT A CAR.”

## A.G.E. THERAPY GEL

**LOOK AND FEEL YEARS YOUNGER.** AGEs fight dirty. Fight back with Morinda's premier anti-AGE skincare formula: TrūAge Skin AGE Therapy Gel. With proven, age-defying ingredients like oat kernel extract, carnosine, and Morinda's earth's-best ingredient family, AGE Therapy Gel will fight the effects of aging every time you use it.

AGE Therapy Gel is the perfect product to keep you looking younger, longer. It protects the skin against glycation, and it will help repair some AGE damage that has already taken place. AGE Therapy Gel contains a powerful formula that has been shown to disrupt the AGE formation process, and ensure your skin has a youthful, vibrant, strong and healthy appearance.

AGE Therapy Gel is lightweight, soothing, moisturizing, odorless and effective. You'll feel the impact immediately. And when you use AGE Therapy Gel every day, you'll look and feel years younger.

MORE GOOD NEWS ABOUT

# A.G.E. THERAPY GEL

What exactly does AGE Therapy Gel do for you? It punches AGEs in the mouth. It protects against, soothes and repairs AGE damage.

**PROTECT**— AGE Therapy Gel uses a proprietary topical TrūAge Max blend consisting of noni, Cornelian cherry, olive leaf, blueberry and cranberry extracts to fortify the skin's natural defenses against AGEs.

**SOOTHE**— AGE Therapy Gel contains oat kernel extract and beta-glucan, which have a soothing, softening effect on skin. AGE Therapy Gel reduces redness and irritation, and helps strengthen the skin's barrier function.

**REPAIR**— Some ingredients found in AGE Therapy Gel, such as carnosine, have been shown to block AGE damage, promote natural healing of the skin, protect minor cuts, scrapes and burns, and relieve dry, chapped skin. It also protects chafed and irritated skin.

AGE Therapy Gel can be used with all skin types, and on every skin surface.

## A.G.E. THERAPY GEL AND THE TrūAge CORE

AGE Therapy Gel is an essential part of the TrūAge Core line of complete AGE management. AGE Therapy Gel is the only product in the TrūAge Core that is used topically to fight the external effects of AGE damage, or glycation. Used alongside the other products in the TrūAge Core, AGE Therapy Gel will make you look young, strong and full of life.

The TrūAge Core line of complete AGE management consists of four products with four specific, complementary functions:

- Tahitian Noni Juice/TrūAge Max:** Disrupts AGE formation
- TrūAge Body Sugar Stop:** Blocks sugar absorption
- TrūAge Performance Rapid Fuel:** Delivers high-quality protein to build lean muscle and burn sugar
- TrūAge Skin AGE Therapy Gel:** Combats the external effects of glycation
